

D. C. 55—"Sun-Time" at Miami Beach, Fla.

LL13785

Miami Beach, set like a rare jewel beside pulsing waters of the turquoise Atlantic, is a heaven for sun and surf bathers, stretching its sandy beach for miles along the island.

Trying to
catch some of "sun"
this "tanning" tree home
before the long
Saw the U. of Miami
could now be easily will
persuaded to transfer. Will
try & talk you into it on Tues.
Bob
